

College	Program	Tracks	Courses	URL
College of Science	Environmental Sciences & Sustainability (ESS)	Environmental Sciences & Sustainability (ESS) Track	ENV 205 (Environmental Science & Sustainability)	https://catalog.alfaisal.edu/environmental-science-sustainability
			ENV 315 (Earth Systems).	https://catalog.alfaisal.edu/environmental-science-sustainability
			ENV 330 Energy & Sustainability	https://catalog.alfaisal.edu/environmental-science-sustainability
			ENV 305: Environmental Health	https://catalog.alfaisal.edu/environmental-science-sustainability
			ENV 410 Environmental Monitoring	https://catalog.alfaisal.edu/environmental-science-sustainability
			ENV 420 Waste Management	https://catalog.alfaisal.edu/environmental-science-sustainability
College of Engineering	Architectural Engineering	Sustainable Development Track (Focuses on sustainable building and urban planning.)	ARE 341 – The Built Environment	https://catalog.alfaisal.edu/architectural-engineering
			ARE 412 –Environmental Management and Policy	https://catalog.alfaisal.edu/architectural-engineering
			ARE 475- Building Energy Management	https://catalog.alfaisal.edu/architectural-engineering
			ARE 455 Sustainable Buildings	https://catalog.alfaisal.edu/architectural-engineering
			ARE 477- Smart Buildings	https://catalog.alfaisal.edu/architectural-engineering
			ARE 460 -Waste Management in Buildings	https://catalog.alfaisal.edu/architectural-engineering
	Electrical Engineering	Renewable Energy Track (Includes Renewable Energy Systems and Energy Systems Design.)	EE 426 - Renewable Energy	https://catalog.alfaisal.edu/electrical-engineering
			EE 405 -Electric Power Systems	https://catalog.alfaisal.edu/electrical-engineering
		Innovation & Entrepreneurial Track (Focuses on innovative sustainable solutions.)	EE 481-Innovations and Entrepreneurship in Engineering	https://catalog.alfaisal.edu/electrical-engineering
